Avenel Dorothy x displayed typical Avenel thickness and quality as she strutted through the ring at the Avenel Sale held last November. This beautiful heifer was purchased by Brookwood Farms, Westfield, N. Y.

The scarce items are in this sale

Those who are familiar with the Avenel Herd will agree that this sale is filled to the brim with the kind of brood cows and tried sires that are seldom found and almost never exposed for sale. And those who study this catalog will discover at once that the pedigrees represent the "hard to get" kind. This is a complete dispersion of one of the largest and strongest herds in North America, a herd founded on the best females that money could buy and maintained at peak performance through the use of internationally famous sires.

Both branches of the breed — Shorthorns and Polled Shorthorns — are represented in liberal numbers. The herd is Federally Accredited and Bangs Certified — the herd members can go anywhere.

Over 2,000 people attended the dispersion of the Edellyn Herd last June, all eager to acquire the bloodlines made famous at that institution. Many were disappointed because the supply was inadequate and prices high. Through the purchase a year ago by Avenel Farms of the entire Almahurst Herd, a herd founded in its entirety on the tops produced at Edellyn over the past dozen years, it may be said without fear of contradiction that today's Avenel Herd contains more of the richest Edellyn blood than any other herd in the world.

There can be no doubt — **April 13th will be a day of opportunities !**

Mr. and Mrs. William
W. Rapley, your host
and hostess on April
13th.

An Announcement that hurts!

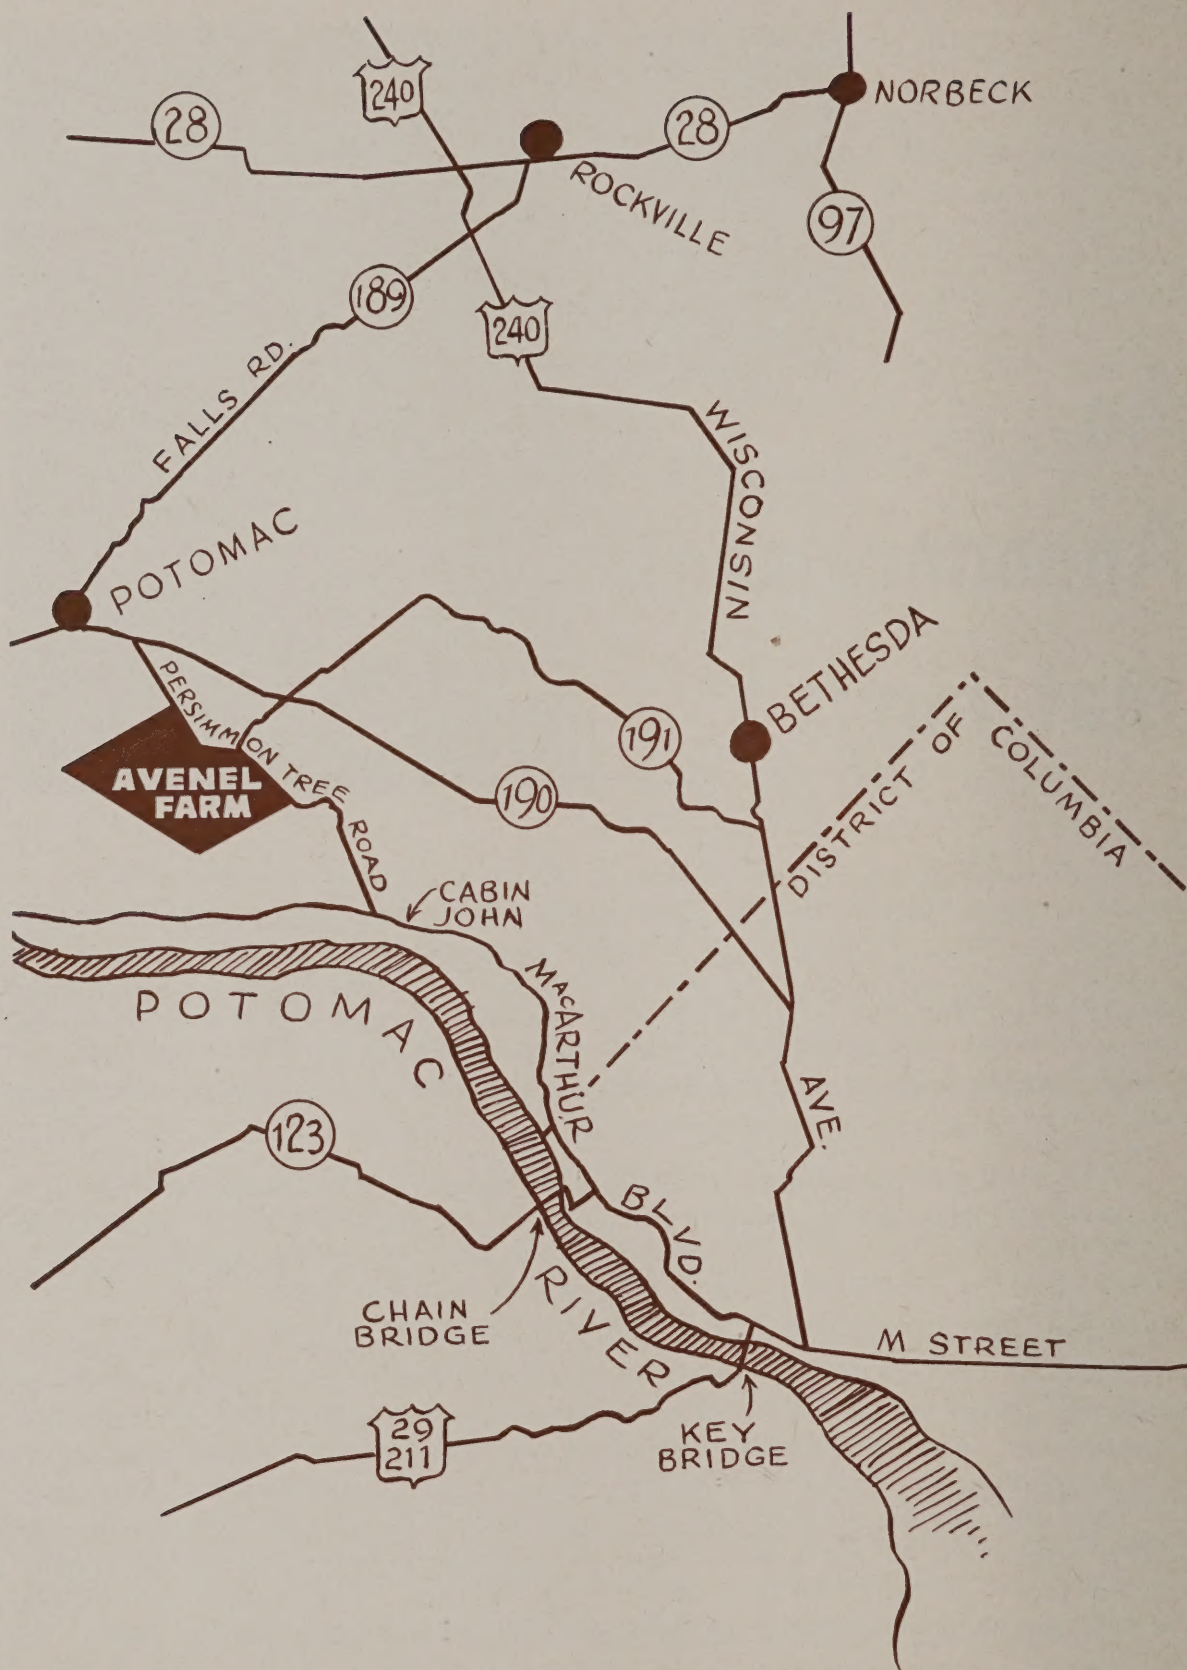

Due to conditions beyond our control, the entire Avenel Herd must be dispersed. Many far-fetched explanations are advanced as the reasons for complete herd dispersions. We prefer to give the real reason through the frank statement that the time and capital now invested in our herd is needed at the moment in the expansion of our other business interests. Our faith in this breed is strong and our love for the people engaged in its advancement is very real.

The herd was established in 1950, starting with a small group of cows and the International Grand Champion bull, Cherry Hill Royal Leader x. From that beginning until now, we have used the best bulls available and have added females that we felt would work improvement into our herd.

With the exception of the 40 sold in our 1958 auction, we have retained practically all the females we produced and have developed for bulls only those calves which we felt would be breed improvers. In order to get our farm producing more nearly to capacity, last year we purchased the Almahurst Short-horn herd of over 100 head from Mr. Henry E. Knight, Lexington, Kentucky. This herd was developed from the very best Edellyn females and always the top Edellyn and imported bulls were used. The result is that today we have what we feel is one of the good cow herds in the country. The bulls in service are the best we have ever used as will be seen by their progeny on sale day.

We hope this sale will bring all of our old friends and many new ones to Avenel. Regardless of whether you feel inclined to buy or not, you will be welcome. Come the day before for a leisurely inspection of the breeding herd and sale cattle. We will look forward to having you with us.

PLEASE BRING THIS CATALOG WITH YOU TO THE SALE

General Information

LOCATION: This sale will be held at Avenel Farm, Bethesda 14, Maryland. Avenel Farm is located 6 miles west of Bethesda at the intersection of Bradley Boulevard (Route 191) and Persimmon Tree Road. We suggest you consult any oil company local map of the Washington area. Those coming from the north should take Route 28 into Rockville, Maryland, Route 189 southwest 6 miles to Potomac, Route 190 South 1/4 mile to Persimmon Tree Road, 1 mile to the farm. Those coming from the south who go into Washington, D. C. can follow MacArthur Boulevard northwest about 8 miles. Turn right onto Persimmon Tree Road two blocks past the Cabin John Volunteer Fire Department.

TIME: The sale will be held on Monday, April 13, 1959. Due to the fact that a total of 220 head are involved in this dispersion, the sale will start promptly at 9:30 a.m. Eastern Standard Time and will continue without interruption until all animals are sold. Lunch will be served while the sale is in progress.

HOTEL ACCOMMODATIONS: We have not named any headquarters for the sale. There are many comfortable motels in the Washington, D. C. area, as well as some of the finest hotels. We will be glad to make reservations for you if you will let us know the number in your party and the accommodations desired. Contact Hal Longley or John B. Hudson. The following motels can be recommended and are the ones most conveniently located to Avenel Farm. We suggest that reservations be made early.

In Town Motor Hotel, Wisconsin Avenue and Bradley Boulevard, Bethesda, Maryland, Phone OLIver 4-1400.

All-States Inn Restaurant & Motel, Gaithersburg, Maryland, Phone Gaithersburg 18.

Bethesdan Motor Hotel, 7740 Wisconsin Avenue, Bethesda, Md., Phone OLIver 6-2100.

Holiday Motel, Gaithersburg, Maryland, Phone Gaithersburg 624.

Motel Washingtonian, U. S. 240 at Shady Grove Road, Gaithersburg, Maryland, Phone Gaithersburg 870.

TRANSPORTATION: We are about 15 miles from the Washington Union Station where trains from all directions arrive at all hours of the day, and the Washington National Airport, also served by all major airlines. We will be happy to meet those traveling by train or plane on arrival if notified in advance or you may go to the Dupont Plaza Hotel where you will be met.

IMPORTANT: Since a total of 220 head are involved in this dispersion, a complete inspection will take time. Such an inspection will not be possible on sale day with the sale starting at the early hour of 9:30 a.m. Accordingly, we urge all guests to arrive on Sunday, April 12th, the day prior to the sale. The cattle will be divided and identified for greatest convenience. A complete inspection will be possible on that day.

Terms . Conditions - Guarantee

HEALTH: The Avenel Herd is Federally Accredited for Tuberculosis and Certified Brucellosis Free.

1. The terms of this sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.
3. The Avenel Herd has a record of good health as evidenced by the fact that it is Federally Accredited for Tuberculosis and Certified Brucellosis Free. Calfhood vaccination for Bangs Disease has been practiced regularly for many years. All bulls and all mature females have been tested for Bangs Disease within 30 days of the date of the sale. For heifers too young to be tested, certificates of vaccination will be provided. Health certificates issued by a qualified Maryland State Veterinarian for each animal sold will also be provided.
4. A certificate of registry and transfer will be furnished for all animals and properly signed applications will be furnished for the registry of all unborn calves.
5. The Avenel Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.
6. Nearly every cow in the herd has a calf at foot or shows every evidence of being in calf. Attention will be called to any that have given trouble in this respect. A final examination for pregnancy will be made 12 days prior to the sale and the results of these examinations will be made public.
7. As this is a dispersion sale, no guarantee will be given except in the cases of the five herd bulls that are presently in heavy service, namely, Beaufort Bulldozer (Lot 1), Camson Better News (Lot 2), Almahurst Bean Buster (Lot 3), Avenel Royal News x (Lot 5), and Scotsdale Meridian (Lot 6). Avenel Farms will guarantee the above named bulls to be breeders if they are maintained in as good condition as when purchased. In case they fail to prove breeders, notice must be given within six months of the date of this auction sale. The purchase price, without interest, will be refunded in case the above named bulls fail to meet the guarantee and the disposal of these animals will be at the option of the seller.
8. Announcements from the auction box will take precedence over matter printed in this catalog.
9. The above terms and guarantee constitute a contract between Avenel Farms, the seller, and the buyer of each lot. Neither the Sale Manager, the persons delegated as clerks, the farm manager nor any other person has authority to alter the terms of that contract nor do any of them assume any liability, legal or otherwise.
10. All persons who attend this sale do so at their own risk and the owners of Avenel Farms assume no liability, legal or otherwise, for any accidents that may occur.

SHORTHORNS . . .

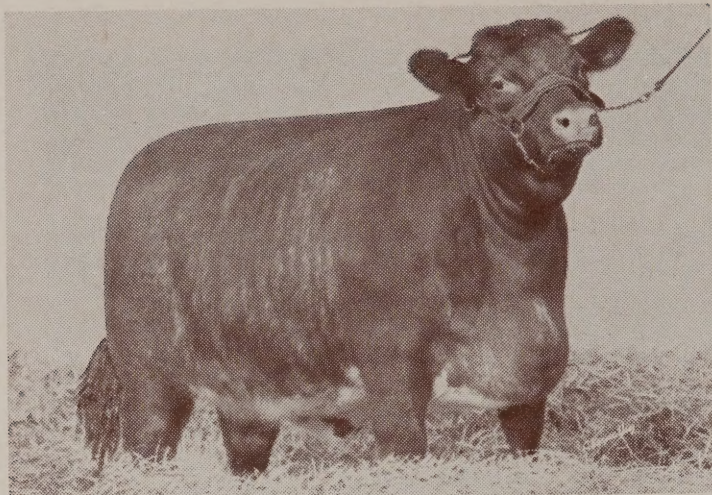

Here's a sample of Avenel Shorthorns. These were sold in our 1958 sale to Tullevin Farms, Ohio; Bradley Eisenminger, Pennsylvania; and S. C. Hylton, North Carolina. They are daughters of Camson Better News, Beaufort Bulldozer and Almahurst Gaucho. The dams and sisters of all of them will sell in this dispersion.

AND POLLED SHORTHORNS . . .

And here's a sample of Avenel Polled Shorthorns. These were sold in our 1958 sale to Brookwood Farms, New York; George Arrowsmith, Maryland; Lvnwood Farm, Indiana; and Sutherland Farms, Kentucky. They are daughters of Birmingham Dauntless 2nd x, Camson Better News, Avenel Royal News x, and TPS Max Coronet 5th x. The dams and sisters of all of them will sell in this dispersion.

Endslo and Sons, Marietta, Pa. She was purchased by the Endsloes in the 1958 Avenel Sale at \$2,650. Her dam sells in this dispersion as Lot 160 and two sisters sell as Lots 98 and 136.

Shorthorns Purchased at Avenel Win Both Championships

(Reprinted from the February 15, 1958 issue of the Shorthorn World)

A goodly number of interested spectators watched Dick Sour, Penn State University, place the Shorthorn classes at the 43rd annual Pennsylvania Farm Show at Harrisburg. Shorthorns were judged January 14th. Quality was much more in evidence and numbers were also up. Cattle were also better presented than in former years.

Cummins and Eisiminger, Waynesburg, Pa., showed the grand champion bull, Almahurst Bachelor, a roan senior yearling son of Beaufort Bulldozer. He had been purchased from Avenel Farms as a calf and has developed into a bull with a lot of scale and ruggedness.

The junior and grand champion female was exhibited by Harold Endslo & Sons. She was the extremely thick-bodied, breedy, dark roan Almahurst Eliza 5th. She was formerly grand champion at the Maryland State Fair and had been purchased in the Avenel Sale at \$2,650. She is a daughter of Almahurst Bean Buster.

Because of the Pennsylvania National Exposition in the fall, it appears that Pennsylvania is bringing out more and better cattle. With several top new Shorthorn herds being developed in the area, the future of the breed seems bright for this show.

Cattle went through the ring at the first Avenel Sale on November 15, 1958, unhaltered and in natural form. Here's how **Almahurst Eliza 5th** looked when the Endsloes bought her at \$2,650. Are they happy since she won her grand championship at the Penn Farm Show? Foolish question!

(Right) — **Avenel Duchess 3rd x**, grand champion female, 1957 International Livestock Show. Sired by Camson Better News out of a daughter of the International grand champion Cherry Hill Royal Leader x. Typical of the kind of Polled Shorthorns produced at Avenel Farms. She will sell in this dispersion as Lot 28.

Top Quality . Richest Ancestry

Few herds in the history of the breed ever have reached the size and strength of Avenel — few auction sales in the history of the breed have contained such a large number of royally bred Shorthorns and Polled Shorthorns as will be the case when this great herd is dispersed on April 13th.

The owners of Avenel Farms took advantage of every bit of improvement that had been worked in the breed when they laid the foundation of this herd. Virtually, the herd was established at the point in Shorthorn progress that had been reached through a hundred years of effort on the part of breeders skilled in the perfection of animal form. Those who know this breed are fully aware of the improving influence of Edellyn, Almahurst, Cherry Hill, Thieman and Scotsdale blood as well as imported blood from Scotland. Although these improving lines were represented liberally in founding the herd, it has remained for Avenel to plan the **blends** that have resulted in further progress.

Five internationally famous tried sires, 11 promising younger bulls, 46 cows with calves, 68 bred cows, 14 bred heifers, and 32 open heifers, a total of 222 will sell in this dispersion. Those who buy them will improve their positions in the industry because these are the kind of cattle that will lift any breeder out of the ranks of the ordinary.

Avenel has accomplished much for the breed. Shorthorn and Polled Shorthorn breeders everywhere are invited to participate in these accomplishments when **ALL** of the members of this famous herd are offered on April 13th. My own observation of the bloodlines that have gone into the foundation of this herd and the management practices that have been followed at Avenel Farms convinces me that this will be one of the greatest buying opportunities in the history of our industry.

Hal Longley

Publisher, The Shorthorn World.

Here are four beautiful heifers that Henry Knight, owner of the Almahurst Herd, gave to the University of Kentucky. They are daughters of Beaufort Bulldozer, Cruggleton Guthrie and Edellyn Banker Mercury. The sisters and dams of these heifers came to Avenel through our purchase of the entire Almahurst herd and will be included in this dispersion.

Facts you should know . .

For a dozen straight years, Henry Knight, owner of the Almahurst herd, Nicholasville, Kentucky, bought the tops of each annual Edellyn Farms Sale. His earlier selections were largely daughters of the Perth Supreme Champion Calrossie Mercury. Later he centered his purchases on those daughters of Edellyn Royal Leader that were out of Calrossie Mercury dams. His joint ownership of the world famous Beaufort Bulldozer with Thomas E. Wilson made it possible for him to bring about perfect blends of Mercury — Royal Leader — Bulldozer blood. The result? The Almahurst herd contained more of the richest Edellyn blood than the Edellyn Herd itself!

What happened then? Avenel Farm purchased the entire Almahurst herd — over 100 head, including all interests in Beaufort Bulldozer! There is today in the Avenel Herd a stronger concentration of Mercury, Leader and Bulldozer blood than was available in the dispersion of the great Edellyn Herd.

And here's how this affects YOU! The Avenel Herd is to be **COMPLETELY DISPERSED** on April 13th and **ALL** of these wonderfully bred Shorthorns and Polled Shorthorns will scatter to the far corners of North America. Will YOU be the fortunate owner of some of this valuable seed stock?

Where can you find blood that will be more certain to work improvement?

Two bulls, both International grand champions, that have had much to do with the high quality of today's Avenel Polled Shorthorns.

TPS MAX CORONET 5TH X

1953 International grand champion Polled Shorthorn bull. Bred by the Thiemans, purchased at \$20,000 by Avenel Farms and used with great success in the Avenel herd. Ten of his daughters will sell in this dispersion.

CHERRY HILL ROYAL LEADER X

Grand champion Polled Shorthorn bull of the 1949 International Live Stock Exposition. Bred at Cherry Hill Farm, he was a son of the greatest Polled Shorthorn improver of all time, Edellyn Royal Leader 2nd. Purchased by Avenel Farm in the Cherry Hill Dispersion and used with great success in the Avenel herd. Ten direct daughters of this famous champion will sell in this dispersion.

Please Note . . .

**TWELVE VERY GOOD, TESTED NURSE
COWS WILL BE SOLD IN THIS AUCTION.**

CALROSSIE MERCURY

Wherever Shorthorns are known, this Perth Supreme Champion is recognized as one of the greatest improvers of all times. Through the Edellyn and Almahurst breeding, much of his blood is represented in this sale. Nearly 20 direct granddaughters will be sold in this dispersion.

And because of their influence on the breed in general and on this sale offering in particular, we portray here two of the most famous sires in Shorthorn history.

EDELLYN ROYAL LEADER

One of the most famous sires of the past quarter century. His choicest sons and daughters were purchased from Edellyn Farms for the Almahurst herd and their descendants are now at Avenel Farm. Three direct daughters and fifteen granddaughters will sell in this dispersion.

We call your attention to the big sale of Shorthorns and Polled Shorthorns at White Plains Farms, Mountville, South Carolina, on April 11. Since this sale is on Saturday and the Avenel Dispersion is on the following Monday, both sales can be attended conveniently. A total of 450 head will sell in these two sales. Within easy access . . . four flights a day from Greenville, South Carolina, to Washington, D. C., at convenient times.

Edellyn Banker Mercury, a famous champion and one of the great sires of the Mercury line. Two daughters will sell.

Balbithan Emperor. Many good judges agree that his calves were the best produced at Edellyn in many years. Two daughters sell in this sale.

(Right) **Cherry Hill Royal Apollo x**, a Congress champion in 1947, whose calves won four firsts and a championship at the 1952 Congress. Three daughters and many granddaughters sell in this dispersion.

(Left) **Cherry Hill Royal Oak x**, an International reserve grand champion that made Polled Shorthorn history at Carona Farms in Illinois. Two daughters sell in this sale.

(Right) **Shore Acres Dunrel**, a great sire in the Hoewischer herd in Ohio. His only two polled daughters are in this sale.

(Left) **Edellyn Royal Leader 46th**. Many term him the greatest son of Edellyn Royal Leader. Nine of his daughters sell in this sale.

About the calves selling at foot

Thirty-seven calves, born since September 1, 1958, are listed with their dams in this catalog. This number will be increased materially before sale day. Of the 38 calves on the ground at the time of cataloging, 19 were bulls and 18 were heifers. In this group there are 15 calves by Almahurst Bean Buster, 11 by Calrossie Imperial, 7 by Camson Better News and 4 by Avenel Royal News x.

Please Note — A few of the calves born between September 1 and December 31, 1958, that are listed in this catalog with their dams, will be split and sold separately.

Further Note — A number of cows are bred in pasture to **Almahurst Canister 2911-031**, red, Nov. 11, 1956, by Almahurst Bean Buster by Beaufort Bulldozer. Dam, Almahurst Princess Royal by Edellyn Rothes Leader, granddam by Edellyn Royal Leader 23rd. This bull was injured after a few months of use and we had to dispose of him, but we are certain his calves will be good.

Seats were at a premium when cattlemen from thirteen states, Canada and Scotland gathered at the Avenel sale ring. The picture shows one side of the ring. Can you find yourself?

**BEAUFORT
BULLDOZER**

***famous
as a sire
the world
over . . .***

BEAUFORT BULLDOZER — Was purchased by Avenel Farms early in 1958 because we felt we wanted to get as many of his daughters as possible in the herd. Due to this dispersion, we will not be able to realize this desire. However, he is still very active and breeding well so we now hope some other "forward thinking" breeder will put him to use. Not only does Bulldozer sire the right kind, as evidenced by the winnings of his sons and daughters, but those sons and daughters are also breeding on. Check the show and sale reports, both here and abroad, and notice the number of champions and top sellers that are by his sons or out of his daughters. This is the opportunity that comes only once in a great while, the chance to buy a proven great breeding bull at your own price.

Beaufort Bulldozer

One of the greatest living sires of the Shorthorn breed. He was purchased for \$15,000 from the famous Beaufort herd, where he was used for one season before being sold to the Edellyn and Almahurst herds. His sons head leading herds in Argentina, South Africa, Australia, England and Scotland. Among his most famous sons are Beaufort Brisket, sold to Australia for \$10,800; Beaufort Brave Baron, sold to Argentina for \$10,200; Beaufort Commodore, withdrawn at Perth sale at \$17,700 for use at Beaufort; Beaufort Chevalier, sold to the Aldie Herd for \$8,700 and recognized as one of Scotland's leading sires. His seven sons sold in Scotland have averaged \$7,900. Beaufort Bulldozer was leading sire at Perth Sales in 1955. In 1954 at the Royal Highland, Scotland's leading Shorthorn show, a son won the junior championship, while a son and daughter won the Bullrich Cup for the best pair. At the 1956 Royal Highland Show a son was senior and grand champion, while a grandson, Beaufort Captive, won the junior championship. At the Perth sales in 1957 two grandsons were sold for \$3,300 and \$12,000, winning first and third prize in class. At the 1958 Perth sales his grandsons won a first and two seconds.

The females by him in the Beaufort herd are considered as good as any in Scotland. In America he has been equally successful. Thirty of his sons and daughters have been sold at an average of \$2,334. In 1954, his first bull calf born in the United States, Ringwell Lodestar, won the junior and grand championship at the International, while his daughter, Edellyn Clara

Belle 3rd, won junior and grand championships for females. In 1955 only three calves were sold. They averaged \$2,300 in the Edellyn sale. His daughter, Edellyn Dorothy 34th, won the reserve grand championship at the National Shorthorn Show at Des Moines, and grand champion at the Wisconsin State Fair, while a son was reserve champion bull at the International Congress sale. In 1956 his fourteen sons and daughters sold in the Edellyn sale averaged \$1,406. His daughter, Fontana Clipper 2nd was grand champion female at Denver and another daughter, Edellyn Dorothy 34th, was reserve grand; his sons won second and third for senior bull calves, and first for junior bull calves. His daughter Almahurst Clipper 2nd, sold for \$5,500 to Lynnwood Farms, being the top price paid for a female in the USA. Edellyn Dorothy 34th sold for \$5,000 to Archwood Farms. Another son, Almahurst Barge Board, was the champion bull at the Kentucky Futurity Show and Sale. In 1957 he sired 13 sons and daughters sold in the Edellyn sale for an average of \$1,630. Almahurst Myrtle 2nd made \$6,000, the top priced female in the USA in 1957. At the Reford Gardhouse sale the top price was got for a granddaughter, while at the Les Mathers sale the top priced bull, Leveldale Oberon, was a grandson. He sold for \$13,200, top priced bull in the USA in 1957, while his son, Ringwell Lodestar, was sold by private treaty to the University of Kentucky for \$10,000. Another daughter, Edellyn Butterfly 18th, was junior champion female at the Iowa State Fair and first prize junior yearling at the International. Almahurst Beanbuster was sold for \$10,000 to Avenel Farms.

Seven sons sold at auction in Scotland have averaged \$7,900.

His first son calved in North America was the 1954 International grand champion bull and supreme champion of the show.

His first daughter calved in North America was the 1954 International grand champion female.

Two of his daughters won the grand and reserve grand championships at the 1956 Denver Show.

Prior to the Edellyn Dispersion, 37 sons and daughters had sold in Scotland and North America for an average of \$3,387 and a total of \$125,325.

In the Edellyn Dispersion, 37 more sons, daughters, grandsons and granddaughters sold for an average of \$1,471 and a total of \$54,325.

An income of \$179,650 has resulted from an original investment of \$15,000.

Working their way to the top at the 1954 International, one of the strongest shows in Short-horn history, were the first two calves sired by Beaufort Bulldozer that were born in this country. Nothing could stop them. The bull was named grand champion and supreme champion of the show. The heifer went on to win the female grand championship.

Never before had a son and daughter of the same sire, both junior calves, won both championships at the great International Live Stock Exposition.

Notice how many champions and top sellers have been sired by Camson Better News? Here's a tried sire that can be counted on to continue a great career.

CAMSON BETTER NEWS — Purchased in the Femco Dispersion at a cost of \$7,600 where 29 of his calves sold for over \$30,000, he has proved to be a wise investment as evidenced by his son, Avenel Royal News, polled herd sire here at Avenel, and his daughter, Avenel Duchess 3d x, grand champion female at the 1957 International Livestock Show. The top selling bull in our last sale at \$2,100 was a son that went to Harold Thieman, Concordia, Missouri, and the top selling polled female was a daughter that sold at \$2,000 to the Bapton herd in Scotland. Sired by the Perth Reserve champion, Calrossie Good News and out of a Saltoun Rothes Queen cow by Chapelton Royalist, he had the needed ancestry to be a top breeding bull. Calrossie Good News was purchased as an aged bull for use in the Bapton herd in Scotland after having sired such bulls as the International grand champion, Leveldale Good News and the \$12,600 Saltoun Silver King. The calves by Camson Beter News, both horned and polled, are the kind that can do much for the breed. This bull is starting to show his age a bit but is still very active and breeding well. Some "forward thinking" breeder, particularly a polled breeder, could well afford to invest in this bull and possibly duplicate the success we have had from his use.

***Of all of the famous sons of the
noted Beaufort Bulldozer, here
is the best !***

Isn't this the type you like? They are all daughters of Almahurst Bean Buster. Three of them sold in our 1958 sale for an average of \$1,642. The fourth will sell in this dispersion.

Almahurst Bean Buster

ALMAHURST BEAN BUSTER — Generally conceded to be the best son of Beaufort Bulldozer, he is siring the type of cattle needed for today's market. His dam, a truly outstanding cow and a direct daughter of Edellyn Royal Leader, was a full sister of Edellyn Royal Leader 10th, the great breeding bull at Ohio State University, and Edellyn Clipper 40th, Reserve Champion female at the 1945 International Congress Sale, going to Cherry Hill Farm at \$3,000. The grand-dam was a direct daughter of Calrossie Mercury, thus giving him a concentration of the bloodlines that helped Edellyn Farms maintain their top herd for many years. Bean Buster was outstanding as a calf at which time we tried to buy him. Being unsuccessful at that time, we kept our eye on him for some future date. When we heard that he might be bought, we lost no time in going to Almahurst to see him and his calves. The bull had developed as we had expected and was breeding even better as was evidenced by the calves on the ground. We decided the thing to do was to buy not only the bull but also the entire Almahurst herd in order to get the outstanding calves plus the cows with which he was crossing so well. The calves by Bean Buster selling in this sale are certainly the right kind and after looking over this good bull, I'm sure you will want to own him or some of his sons and daughters. Eleven sons and daughters of Almahurst Bean Buster sold in our last sale and averaged \$1,000 per head.

A great breeding bull, sired by a great breeding bull, and a brother to two International Grand Champions, he has the necessary inheritance to insure his continued success.

**Breeders who know and appreciate good cattle bought

(Right) **Almahurst Cascade,** a promising son of Bean Buster that was purchased by Richard Rheinbolt, Mt. Gilead, Ohio, at \$1,000. His dam will sell as Lot 17 in this dispersion.

ALMAHURST BALMORAL — A full brother to Almahurst Bean Buster. Not too much more need be said. Study Bean Buster and his calves and you should have a pretty good idea as to what to expect from this bull. Balmoral is a bit small. However, he had plenty of size up to about 16 to 18 months of age. We were pushing him pretty hard at that time and I think we just pushed him too hard. I don't think his lack of size is inherited and I don't think he will sire small cattle. Possibly a chance to steal a real breeding bull.

***A champion that could

breeding bulls!***

Avenel Duchess 4th x. Lynnwood Farms purchased this sweet daughter of Avenel Royal News x at \$700. Her dam will sell as Lot 29 in this dispersion.

A word about Avenel Royal News x

This first polled son of Camson Better News was retained at Avenel for herd duty despite the fact that we had some rather attractive offers to sell him. Nothing further need be said about his sire that is listed as Lot 2. The dam, Avenel Royal Clipper A x, selling as Lot 43, is a thick, deep bodied, low set cow by the Congress reserve champion, Cherry Hill Royal Apollo x, that also sired a \$3,500 Congress champion female. The first two daughters of Avenel Royal News sold in our last sale, one going to Lynnwood Farm, Carmel, Indiana, the other to Mrs. W. C. Pitfield, Saraguay, Quebec, after having placed second in class at the 1958 Pennsylvania National Show. His calves selling in this sale bear your inspection, particularly his daughters Avenel Kassie Pauline 2nd, Lot 81, and Avenel Bonny Rothes 2nd, selling with her dam, Lot 87. Avenel Royal News x was the second prize senior yearling at the 1957 International and senior champion bull at the 1958 Ohio State Fair. One of the best polled bulls to be offered for sale in some time, he could possibly go down as one of the all time great breeding bulls.

(Left) This is **Scotsdale Jupiter**, sire of Scotsdale Meridian, the great young stock bull that will sell as Lot 6 in this dispersion. Scotsdale Jupiter was grand champion bull at the 1956 International Live Stock Show and at the Toronto Royal Winter Fair in 1955 and 1956. He was the sire of the first prize junior yearling bull, third prize summer yearling bull, and second prize junior yearling heifer, International, 1958. He was bred and exhibited by S. G. Bennett, Georgetown, Ontario.

Some things you should know about Scotsdale Meridian

His grandsire was good enough to win the Supreme Championship at the great Perth Show in Scotland. His sire was good enough to win grand championship at the 1956 International. A brother to his sire was good enough to win reserve grand championship at the 1958 International. Although we will not have an opportunity to see any calves from Scotsdale Meridian in our herd before sale time, we are anxiously awaiting reports from the buyers who purchased heifers bred to this bull in our last sale. By the way, did you notice the report on the last International and see the number of classes won by Scotsdale bulls? And the people at Scotsdale tell us this is one of the very best they have ever raised! Lucky will be the new owner of this outstanding young sire.

This is **Scotsdale Lucifer**, half brother to the sire of Scotsdale Meridian. This son of Calrossie Prefect was named senior and reserve grand champion bull at the 1958 International and Royal Winter Fair.

SCOTSDALE MERIDIAN — This is the latest herd bull addition and junior herd sire at Avenel. He was sired by Scotsdale Jupiter, Grand Champion bull at the Royal Winter Fair in 1955 and 1956, also Grand Champion bull at the International Livestock Show in Chicago in 1956. Jupiter, in turn, was sired by the 1952 Perth Supreme Champion, Calrossie Prefect, he by Calrossie Welcome. Jupiter's dam was a champion in her own right and a half sister to the 1948 International Grand Champion bull, Scotsdale Bombardier. Meridian's dam, Scotsdale Butterfly Highness, was Reserve Grand Champion female at the 1954 Royal Winter Fair and produced as her first calf, Scotsdale Kingsway, Reserve Junior Champion at the 1956 International. We again find Calrossie Prefect as a grand sire on the maternal side and the great breeding cow, Butterfly Baroness, a direct daughter of Kirkton Baronet, as the grand-dam. Butterfly Baroness produced four heifers that were either champions or reserve champions, all by different sires. We purchased this outstanding young bull to breed to the daughters of Beaufort Bulldozer and Almahurst Bean Buster. With his background and his general type and quality, we feel he will sire the kind of calves we are all looking for.

AVENEL NEWS FLASH X — A son of Camson Better News and out of Avenel Royal Germanica, the great cow that sells as Lot 51, this bull is a three-quarter brother of Avenel Royal News. Very much the same kind of bull, some of our visitors last summer liked this bull the best of all our polled bulls. We have been a bit crowded for space this winter and have not been able to give all our cattle the attention we would like to have. This bull is one that hasn't had much attention and will be selling in rather ordinary flesh. However, if you can pick a herd bull when he is thin, I think you will see the possibilities here. Be sure to see his sire and dam for some indication of the thickness and substance you can expect in this bull.

AVENEL ABE LINCOLN — Sired by the \$8000 Louada Forager, top selling bull at the 1956 Louada sale, this rugged calf is out of what I consider the best cow in the herd, Edellyn Clipper 51st. Purchased as a heifer for \$4000 she produced the \$5500 Almahurst Clipper 2d, top selling female at the 1956 Edellyn sale. All four grandparents imported or imported-in-dam and with a wonderful sire and dam, this calf could develop into one of the better breeding bulls to come along in some time. herds ever developed in North America.

Avenel Duchess 3rd x by Camson Better News. Junior and grand champion Polled Shorthorn female at the 1957 International Live Stock Exposition for Avenel Farms. She will sell in this dispersion as Lot 28.

A careful study of the pedigrees in this catalog is vital to any person who has the desire to breed better Shorthorns. The female families that produced these cattle are noted for their prolificacy and dependability. The bulls that sired these cattle are famous wherever Shorthorns are known. Those who buy the superior individuals that make up this sale offering may feel certain that greater recognition will come their way — for these are the kind of cattle that will lift any breeder out of the ranks of the ordinary.

PLEASE NOTE — No new pictures were made for this catalog. Many of the females pictured were photographed when they were calves or yearlings. Most of them are now mature cows selling with their calves or heavy in calf.

and on the following pages are to be found the pedigrees of ALL of the female members of a herd that is known and respected the world over.

Please Note — Our cows produce best when in normal, thrifty flesh condition. We do not feel that it would be to the best advantage of buyers to load them with fat ahead of this dispersion even though higher prices might result. Accordingly, please expect to find the cows in the flesh condition that insures best results.

This sale will occur on Monday, April 13th. With approximately 220 head in the sale, it is important that prospective buyers arrive on Sunday, April 12th, for a careful inspection. On that day, the females will be grouped in paddocks as follows for greatest convenience. They will be sold in the exact order of cataloging.

DRUMMONDREACH LOVELY LADY—Another lovely imported cow purchased at Perth in 1955. An almost straight Calrossie pedigree which needs no explanation. This cow has produced three wonderful heifers, including Almahurst Lovely Lady, in the University of Kentucky herd, where I understand she is the best thing in that good herd; Almahurst Lovely Lady 2d, a show heifer selling as Lot 53; and Avenel Lovely Lady, a white. September 4, 1958 calf sired by Calrossie Imperial, another show calf selling at the side of her dam. Cow will be rebred.

(Left) **Almahurst Rosewood 10th** by Beaufort Bulldozer. At \$1,600 she became a member of the strong herd at Acadia Farms, Northfield, Ohio. Her dam will sell as Lot 19 in this dispersion.

(Right) **Oakfield Rosewood 36th**. This member of the famous Calrossie Rosewood family topped the 1955 Edellyn female sale at \$4,500. She will sell in this dispersion as Lot 19.

BIRMINGHAM ALPHA RAMSDEN 5TH — One of the greatest young cows in the herd, we purchased her privately from Mr. Franklin at a rather long price. She is a full sister to Birmingham Control, one of the good Shorthorn bulls in Canada, and a bull that has sired the right kind of cattle. Cruggleton Banker and Birmingham Alpha Ramsden were both outstanding cattle and this pedigree contains the names of some of the greatest cattle in Shorthorn history. We lost this cow's 1958 calf due to a virus which went thru our young calves causing us to lose several before getting it stopped. She is now nursing a red bull calf, calved February 2, 1959 and sired by Camson Better News. What a combination of breeding this calf carries.

Edellyn Orange Blossom 77th, a daughter of Cruggleton Braemar purchased by Almahurst Farm from the Edellyn herd. Her daughter, Almahurst O Blossom 2nd by Edellyn Rothes Leader, will sell in this sale as Lot 27.

ALMAHURST O BLOSSOM 2D — A very breedy looking cow sired by the \$5000 Edellyn Rothes Leader, he out of the great breeding cow, Coldoch Bonny Rothes. The dam is a direct daughter of Cruggleton Braemar with the granddam by Cruggleton Perfect. A beautifully bred cow, she was the dam of Almahurst Barometer, sold at the 1958 Denver sale to Jay Tallent, Dell, Montana. This cow sells with a dark roan heifer calf, Avenel Orange Blossom 7th, calved September 18, 1958 and sired by Calrossie Imperial. Will be rebred.

John Hudson and W. W. Rapley of Avenel Farm stand behind the sensational heifer **Avenel Duchess 3rd x** by Camson Better News. She was named grand champion Polled Shorthorn female at the 1957 International. She will sell in this sale with a red polled bull calf sired by Almahurst Bean Buster. What a pair! See Lot 28.

AVENEL DUCHESS 3D X — 1957 International Grand Champion Polled Shorthorn female. Sired by Camson Better News, out of Avenel Duchess X, also selling as Lot 29. A full brother selling at the side of her dam could be the best polled son of Camson Better News to date. We wanted a polled son of Almahurst Bean Buster to follow in our breeding program and felt this cow could be the mother of a herd bull, so we mated them with the thought in mind that if it was a polled bull, he would remain here at Avenel as a herd bull. This cow calved on January 5, 1959 with a red polled bull calf, but in the meantime this dispersion had been planned, so here is the opportunity to purchase one of the greatest polled calves today along with his champion mother. These kind are seldom offered for sale.

WINWOOD HELEN 2D X — Sired by the International prize winner, Oakwood Headliner and out of a daughter of Crichton Drambuie, this good cow was purchased as a heifer calf at the 1955 National Polled Shorthorn Congress where she won her class and a half sister was Champion female. The two were then paired together to win the pair of females class. A wonderful type cow, she is the dam of Avenel Illustration, selling in this sale as Lot 14. This good cow was bred September 29, 1958 to Beaufort Bulldozer.

A careful study of this catalog is vital to any person who has the desire to breed better Shorthorns or Polled Shorthorns.

Avenel practices calfhood vaccination regularly, hence no mention is made of the fact in the individual descriptions appearing in this catalog.

BRIARDALE CLIPPER MONA 4TH — One of the very best brood cows in the herd, this cow was picked by Mr. James Biggar of Scotland on his visit in 1956 as our best cow. Sired by one of the good Ransom bulls, her dam, a direct daughter of Kirkton Baronet, has produced four calves and is well along with her fifth, and we have had her just four years. Her first calf was Reserve Grand Champion 4-H steer at the 1956 Maryland State Fair and she is also the dam of Avenel Clipper Mona and Avenel Clipper Mona 2d, selling in this sale as Lots 60 and 145. She was bred Oct. 7, 1958 to Scotsdale Meridian.

Ringwell Orange Talisman, shown at the time she was made supreme champion of the 1953 International Livestock Show for Ringwell Farms. Lot 41 in this sale, Ringwell Orange Talisman 4th, is out of the same famous imported cow, Beaufort Orange Talisman.

EDELLYN AUGUSTA 59TH — Purchased from Edellyn as a young heifer for \$1000 this cow was sired by the \$7000 Edellyn Choice Mercury, Top bull at Edellyn in 1955. Her dam, Anoka Augusta 102d, produced several of Edellyn's best cattle and then sold in their dispersion for \$1500. This cow was shown as a calf and placed very well at both the American Royal and the International. We had the misfortune of losing her 1958 calf, an outstanding bull, with the virus. Rebred October 5, 1958 to Beaufort Bulldozer.

(Right) — **Almahurst Bean Buster**, an un-retouched snapshot. Wouldn't you like to breed cattle with this thickness? Wouldn't you like to put this head on every calf? He will sell in this dispersion as Lot 3 and his famous sire, Beaufort Bulldozer, will sell as Lot 1.

The bulls that sired the 220 animals in this sale are famous wherever Shorthorns are known.

BILMAR SNOW BEAUTY — Sired by the 1953 Perth Champion, Drummondreach Advocate, and out of a daughter of Sni-A-Bar Randolph, twice International Reserve Champion, this is a very thick, deep bodied, shortlegged cow. Her daughter, Almahurst Beauty 3d, sold in our last sale to Mr. and Mrs. Bradley Eisiminger, Waynesburg, Pa. Her last calf was sold as a steer. This cow was bred October 15, 1958 to our polled bull, Avenel Royal News. Please note that this cow does not milk but very little and it is necessary to put her calf on another cow. However, they are good enough calves that they are worth the extra trouble.

AVENEL ROYAL GERMANICA X — Another good daughter of Cherry Hill Royal Apollo with the International Champion bull, Campbell's Command showing in her pedigree. This cow is the dam of Avenel News Flash, selling as Lot 7. Her Sept., 1958 Polled heifer calf by Almahurst Bean Buster died from scours, but she has been nursing another calf and will do so until about sale time. This cow was bred November 15, 1958 to Almahurst Bean Buster.

About this catalog

1. We remind readers that this is a sale catalog and not a history of Avenel Farms. Such a history would entail many pages. It should be understood that in compiling the catalog, space limitations made it necessary to stick to the facts about the 220 head of richly bred cattle that are selling.
2. Footnotes appearing beneath the pedigrees in this catalog are factual. Without the use of superlative adjectives and glowing descriptions, we have confined ourselves to telling what we know about the animals. If an animal lacks size, is a shy milker, or is in any way unreliable, we have included these facts.
3. Do not come to this sale looking for cow-stuff in high flesh. We are offering the members of our breeding herd in what we believe to be the best possible condition to insure future usefulness.

Geraldine Clara. This daughter of Louada Gambler sells in this dispersion as Lot 52.

All Bulldozers All Beauties

(Left) **Edellyn Brave Knight**, the son of Beaufort Bulldozer that was picked for service at Edellyn. He sold in the Edellyn Dispersion at \$4,000 to Brookfield Farm, Westfield, New York.

(Right) **Almahurst Augusta 3rd**, a beautiful daughter of Beaufort Bulldozer that was purchased in the 1956 Edellyn sale by Vaughn Moore, Lenox, Iowa, at \$1,300.

(Left) **Almahurst Clipper 2nd**, the top selling Shorthorn female for the year 1956. This daughter of Beaufort Bulldozer was purchased in the Edellyn sale at \$5,500 by Lynnwood Farms, Carmel, Indiana. Three female members of this Drynie Clipper family sell in this sale.

Those who buy the royally bred cattle in this sale may feel certain that greater recognition will come their way.

These two models of bovine beauty are half sisters, both sired by Beaufort Bulldozer. At the left is **Fontana Clipper 2nd**, held by Fred McWilliam, grand champion female at the National Western Stock Show for Joseph Zuro, Fontana, Wisconsin. Harry Ackerman, far right, holds **Edellyn Dorothy 34th**, the reserve grand champion at the National Western for Edellyn Farms. Allan Atlason and Major H. H. Allen look on.

Fontana Fanfare by Beaufort Bulldozer. Until recently, junior herd bull at Fontana Farms, Wisconsin, owned by Joseph Zuro. Now in service at Remitall Cattle Company, Olds, Alberta.

This is a recent picture of **Greenwood Bulldozer**, now in service at Greenwood Farms owned by David S. Graham in Ohio. Dave Graham bought an Augusta cow from Edellyn, in calf to Beaufort Bulldozer. This great bull resulted.

Avenel Typesetter x, purchased in the 1958 sale at \$700 by Harvey L. Fishpaw, Virginia. He is a full brother to Lot 58 in this sale.

EDELLYN BONNY ROTHES 14TH—One of the most richly bred females to sell this year. Of the famous Bonny Rothés family, sired by Cruggleton Guthrie, and out of one of the best show cows of all times and who was considered the best cow in the Edellyn herd at the time of its dispersion. This young cow cost \$2000 at the time of purchase from Edellyn and although she stays rather thin, could be one of the best investments ever made. Her first calf, Avenel Bonny Rothés, sells as Lot 87 and her second calf, Avenel Bonny Rothés 2d, a polled roan heifer calved September 16, 1958 and sired by Avenel Royal News sells at her side. This is the first opportunity to buy a polled Bonny Rothés female. Cow will be rebred.

ROYAL ORANGE — Another good daughter of Edellyn Royal Leader 46th, \$5000 top selling bull at one of the Edellyn sales. This cow is the dam of Almahurst Royal, our summer yearling show bull in 1958 and sold in our sale to F. Cleveland Hedrick, Warrenton, Virginia. Sells with a polled roan heifer calf, Avenel Orange Blossom 8th, calved October 28, 1958 and sired by Avenel Royal News. Cow will be rebred.

The next 15 lots are all open heifers. We are not attempting to write foot notes for each of them as it would only be very repetitious. The dams of practically all of them are selling and you can refer to the dam's footnotes for any information applicable to that individual or family. All information which we feel you should have has been noted after the heifers where it applies.

AVENEL BEAUTY X — Sold as a yearling heifer for \$2500 to Hawthorne farm, Marshall, Virginia, we purchased this good cow in that dispersion and returned her to Avenel. Sired by the International Champion, Cherry Hill Royal Leader, and out of a dam by Cherry Hill Royal Apollo, she is line bred in the blood of Edellyn Royal Leader 2d. Her daughter, Hawthorne Beauty 5th, sells as a separate lot as does her 1958 bull calf, Avenel Newsreel. Rebred. Breeding date will be announced.

EDELLYN CLIPPER 61ST — Purchased at the 1957 Edellyn sale at a cost of \$2100 after being shown very successfully the year before. Sired by the American Royal Champion, Edellyn Banker Mercury, and out of an own daughter of one of the greatest of all Royal Leaders, Edellyn Royal Leader 114th, she is of the Calrossie Clipper family which has been one of our favorite families. Her maternal granddam sold in the Edellyn dispersion at 10 years of age for \$4000 to Penn. State and a maternal half-sister sold in the same sale for \$3000 to John Alexander and Sons, Aurora, Ill. This cow's first calf had a bit too much white on him so we sold him for a 4-H steer. Rebred. Breeding date will be announced.

AVENEL CONTROL QUEEN X — One of the very few Polled daughters of Sni-A-Bar Control, 1946 International Grand Champion Shorthorn Bull, and of the very popular Queen of Hearts family, this cow was shown successfully and has since proven to be one of our top brood cows. Her calves include the Reserve Grand Champion Steer at the 1954 Maryland State Fair; Avenel Control Leader, a bull used in the herd until losing him at an early age; another steer which was Reserve Champion 4-H Shorthorn at the Eastern National; Queen of Hearts A F 2d, selling in this sale; and Queen of Hearts A F 3d, sold in our last production sale at \$2,000 to the Bapton Herd in Scotland. We lost her August, 1958 calf at two days of age, but it too was an outstanding calf. This good cow was remated on October 31, 1958 to Camson Better News and the resulting calf will be a full brother or sister to the heifer purchased by the Bapton Herd.

CORONITA PRIDE 3D — This is a dehorned cow by the International Champion which we purchased from the Thieman's. A line bred Killearn Max Juggler, she is one of our better looking cows. In the 1957 Thieman sale a half sister, out of the same dam, was one of the high selling females and went to the Bapton Herd in Scotland. This cow lost her first calf at birth but a daughter, Avenel Pride, is selling in this sale. She was bred October 2, 1958 to Avenel Royal News X.

Sni-A-Bar Control, twice an International grand champion. Lot 100 is one of the few polled daughters of this famous sire.

Polled Shorthorn Breeders ATTENTION!

Where have you seen better buying opportunities? Avenel has made it possible for you to obtain the richest blood of the Shorthorn breed in polled form. For instance, have you noticed that Lot 100 is a polled daughter of the International grand champion Sni-A-Bar Control? Also have you noticed that the great cow Edellyn Bonny Rothes 14th by Cruggleton Guthrie (Lot 67) is selling with a polled heifer calf at side by Avenel Royal News x. Yes, April 13th will certainly be a day of *opportunities*.

SUTHERLAND JEALOUS JANE 3D — A wonderfully thick, deep, lowset daughter of the twice International Reserve Champion bull, Sni-A-Bar Randolph, and out of a daughter of Prince William 15th, Eastern National Grand Champion bull. This good cow was purchased at the Sutherland Farms dispersion where she was one of the top selling bred heifers. This cow is the dam of Avenel Jealous Jane, selling in the sale as Lot 68, who in turn has a grand heifer calf at side. The 1958 calf was lost at birth. Rebred, breeding date to be announced.

Over 2,000 critical judges of Shorthorns attended the Edellyn Dispersion last June, all eager to obtain the blood that made this herd famous. Do you realize that over two-thirds of the cattle in this Avenel Dispersion are descended from the very richest of Edellyn blood? Yes . . . April 13 will certainly be a day of opportunities!

AVENEL BONITA CORONITA X — Sired by the International Grand Champion, the \$20,000 T P S Max Coronet 5th, and out of a cow that did quite a bit of winning in her own right. We purchased the dam at the top of the 1953 Thieman sale at \$2,000. This cow has had only one calf, a steer we sold to the University of Maryland. We hope to have her in calf again before sale time.

(Right) **Bonita Coronita 11th x** by Coronet Max Juggler 5th x. She was the top selling female in the Thieman sale when purchased by Avenel Farm at \$2,000. She is the dam of Lot 110 in this sale.

CARONA JEANETTE 6TH X — Another daughter of the International Reserve Champion, Cherry Hill Royal Oak. This big strong cow has produced Avenel Jeanette, sold to Mrs. W. C. Pitfield, Quebec; and Avenel Jeanette 2d, a show heifer, selling as Lot 84. Rebred July 14, 1958 to Avenel Royal News, this cow is due to calve shortly after the sale.

P S Troubadour, 1956 International grand champion steer over all breeds. Bred at Acadia Farms and exhibited by Penn State University. He was sired by Calrossie Troubadour and out of a dam by Calrossie Sportsman. Lot 141 in this sale is a three-quarters sister.

BROWN-FORMAN AUGUSTA A — Sired by the Acadia Farm sire, Calrossie Troubadour and out of a daughter of Calrossie Sportsman, this young cow is a three-quarter sister to P. S. Troubadour, 1956 International Grand Champion steer. This cow stays rather thin but she is a broody type and her 1958 calf was one of the very best steers I've sold for 4-H. Rebred October 5, 1958 to Almahurst Bean Buster.

The next 17 lots are all open heifers. Again we state that we have not attempted to write footnotes for each of the mbecause it would only represent repetition. The dams of all of them are selling and you can refer to the dam's footnote for information applicable to that individual or family. All information which we feel you should have has been noted after the heifers where it applies.

EDELLYN JEALOUSY 14TH — A direct daughter of Edellyn Royal Leader and out of a dam by Calrossie Mercury, this cow was a full sister to Edellyn Royal Leader 46th, purchased by Almahurst Farm for \$5,000. This cow cost \$1,700 as a 10 month old heifer and altho she is showing her age now, has been a wonderful producer. Her calves include Almahurst Jealousy, sold to the Bilmar herd in Michigan, Almahurst Jealousy 2d, sold to the Louada herd in Canada, and Almahurst Jealousy 4th, sold to Mrs. Garvin Brown for a Christmas present for Mr. Brown. Her 1958 calf, an outstanding heifer, was lost with the virus. Pasture bred to Almahurst Canister.
